Important Information about Our Insurance Intermediary Services

Your contract with BISL Limited ('We/Us/Our')

BISL Limited is an insurance intermediary and you will enter into two separate contracts when you take out an insurance policy through Us. The first contract is with Us and sets out the terms and conditions under which We will arrange and administer your insurance policy on your behalf and any fee(s) that We shall charge you for providing Our insurance intermediary services. Use this information to decide if Our services are right for you.

You will also enter into a separate contract with the insurer for providing your insurance. Details of the premium charged and the terms and conditions relevant to the insurance policy are set out in your Welcome Pack. When you purchase additional products or pay for your policy by instalments using a fixed sum loan agreement, you will enter into further contracts with each insurer, supplier or credit provider for these services.

Client Money

We act as agent for the insurer for the collection and payment of your premiums including any additional insurance products you purchase from us. This means that premiums are treated as being received by the insurer when they are received by us. Any premium refund is treated as received by you when it is actually paid to you. We will not pay you the amount of any interest that we earn from investing your money before paying it to your insurer.

Your demands and needs

The policy is designed to meet the demands and needs of customers who wish to insure their motor vehicle against the risk that they have selected to cover. For example third party risks only, third party fire and theft or comprehensive cover, as well as any additional services chosen. We have not provided advice on whether the policy is suitable for your needs or made any recommendations.

Your additional products and services:

- ☒ No claims discount protection
- ☒ RAC Breakdown Cover

We offer products from a range of insurers for car insurance. We only offer products from a single insurer or supplier for:

No claims discount protection, arranged & administered by BISL Ltd
RAC Breakdown Cover

What Insurance Intermediary Services will We provide?

Our insurance intermediary services We provide to you on your behalf include:

- We will arrange your vehicle insurance by selecting a range of prices from Our panel of insurers that We can offer, We will arrange your cover with the insurer based on your requirements, We will deal with your payment and provide you with the details and documentation relating to your policy.
- Deal with your requests for adjustments you have to make to your policy, such as changes to the cover required, the use and/or vehicle insured. We will notify the insurer, deal with any amendments of risk or adjustments of premium required and provide you with confirmation of any changes to your policy. We may arrange cover with an alternative insurer if the amendments to your policy are not acceptable to your original insurer.
- We will also arrange the cancellation of your policy at your request, notify the insurer, deal with any refunds of premium, confirm the changes to your policy and arrange for the return of documents.
- Deal with your requests for any duplicate or replacement documentation relating to your policy and/or additional products.
- We will arrange optional additional add-on products where you

consider these products meet your needs.

- We will provide optional additional intermediary services, such as arranging No claims discount protection (NCDP) with your insurer. In the event NCDP is selected you will be provided with a separate contract setting out the terms and conditions upon which it is arranged and administered and priced.
- We will also arrange the renewal of your insurance and additional products based on your requirements (see Automatic Renewal section).

Our fees and charges for providing Our insurance intermediary services to you

We will charge you the following fees where applicable for Our services:

Intermediary services fee

Included in the total cost of your policy is a fee of £45.00 that We charge you for the separate intermediary services We provide in arranging, servicing and renewing your car insurance policy. This fee does not relate to any of the additional add-on products We may have arranged for you. If you cancel your policy after 14 days this fee will be non-refundable.

Arrangement fee

If either you or We cancel within 14 days of receiving your policy documentation We will charge you a fee of £25 plus the cost for the amount of time you have been covered unless you have made a total loss claim in which case no refund will be given and all premiums will be due.

Cancellation fee

If either you or We cancel more than 14 days after receiving your policy documentation We will charge you a fee of £45 plus the cost for the period of cover you have benefitted from.

This is providing no claims have been made. If a claim has been made, or there has been an incident which may lead to a claim, no refund will be given and all premiums will be due.

If you cancel the additional products taken out with your policy, but not the main policy within 14 days of receiving your policy documentation, you will pay for time on cover only. After this time, no refund will be given. If you cancel the main policy then any additional products taken out will also be cancelled.

If upon investigation we find that you are no longer eligible for an add-on product, a refund will be provided on a pro-rata basis.

We have provided you with information on how to cancel your policy in the cancellation section of your Motor Policy Wording, Section 12. This clearly sets out Our approach to providing you with a refund of premium for your time on cover.

We will pay any refund due to the bank account or credit/debit card We hold on file.

Policy amendment fee

Amendments to the policy may be subject to a £25 amendment fee. We have provided you with a list of examples of the things that We need to know about in the Important customer information section of your Motor Policy Wording, section C.

Failed payment fee

If you fail to make a payment We will charge you a fee of £20.

Changes in Terms & Conditions

We are entitled to change any of the fees or terms and conditions of this contract between you and Us, (i) with 30 days notice during the term of the policy if required by law or regulatory authorities, or (ii) at renewal.

Continuous Payment Authority

When you pay by credit or debit card We will set up a Continuous Payment Authority (CPA). This allows Us to take your payments automatically when they are due, including for any amendments you make and future renewals. This means you don't have to provide new details for each payment and ensures your insurance continues uninterrupted. We will always inform the policyholder of any payments that are due to be taken. We reserve for payments with your bank 2 working days prior to a payment due date and can attempt collection up to 3 times within this 2-day window. We won't attempt any further reservations past the payment due date. If We're unable to collect a payment at any point, We will contact the policyholder. Failed payments could result in a fee. If applicable, please see the 'Failed payment fee' section above for details of the fee. The policy may be cancelled if We don't receive payments that are due. You can cancel the CPA by contacting Us at any time.

Automatic renewal

Prior to renewal, We will use the details you've given Us to provide you with a renewal price. We will contact you before the end of your policy explaining what you need to do. We may automatically renew the policy where We are able to, using the payment method that you have provided Us with ****9999 in order to ensure you remain continuously covered. Please note, if you don't advise Us that you don't want your policy to renew by the renewal date, We will attempt to take the first payment that is due. If this payment is declined, you will be charged a failed payment fee if applicable, please see the 'Failed payment fee' section above for details. You can ask Us to stop taking payments automatically and opt out of automatic renewals or change your payment method at any time by going to your Self Service Centre or contacting Us on: **0330 159 1031**.

Compensation

We are covered by the Financial Services Compensation Scheme (FSCS). You may be entitled to compensation from the scheme if We cannot meet Our obligations. This depends on the type of business and the circumstances of the claim. Insurance administration is covered for 90% of the claim, without any upper limit.

Further information about compensation scheme arrangements is available from the FSCS website; www.fscs.org.uk, or write to Financial Services Compensation Scheme, 10th floor, Beaufort House, 15 St Botolph Street, London, EC3A 7QU.

BISL Limited is authorised and regulated by the Financial Conduct Authority (FCA). Our firm reference number is 308896.

Our permitted business is arranging general insurance contracts which you can check on the Financial Services register by visiting the website www.fca.org.uk.

Duration and Choice of Law

The minimum duration of this contract with Us is the duration of your related insurance policy. This contract will terminate simultaneously with the termination of your related insurance policy.

These terms and conditions are governed by the laws of England and Wales unless you and We agree otherwise and such agreement has been put in writing by Us.

It's important that **you** check the information **you** have provided and notify **us** immediately of any changes to these details. In return for **your** premium, the **insurer** will provide the cover shown in **your** policy for accident, injury, loss or damage that happens within the **territorial limits** during the **period of insurance**.

2 Damage to the car

What is covered under this section

This section provides **you** with cover for loss or damage to **the car** and its accessories caused by accidental or malicious damage, or vandalism.

The **insurer** will decide either to;

- Repair the damage themselves; or
- Pay to have the damage repaired; or
- Pay to replace what is lost or damaged if this is more cost effective than repairing it; or
- Pay **you** an amount equal to the loss or damage.

If to the **insurer's** knowledge **the car** is the subject of a hire purchase or leasing agreement, the **insurer** may, in the event of **the car's** total loss or destruction, pay the hire purchase or leasing company directly for the loss or damage to the vehicle.

If the **insurer's** estimate of the **market value** is more than the amount owed any balance will be paid to **you**.

If the **insurer's** estimate of the **market value** is less than the amount owed **you** may have to pay the outstanding balance.

By purchasing this **policy** you agree that the **insurer** can handle **your** claim in this way.

The **insurer** will also pay reasonable costs for the protection, removal and storage of **the car** and delivery after repair to **your risk address**.

The **insurer** may use warranted replacement parts or recycled parts which are not supplied by the manufacturer of **the car** but will be of a similar standard. If suitable replacement parts are not available the **insurer** will pay the manufacturer's last list price.

The **insurer** will not pay more than the **market value** of **the car** at the time of the loss unless the new car benefit applies.

New car benefit

The **insurer** will replace **the car** with one of the same make, model and specification if;

- The loss or damage happens within twelve months from the date **the car** was first registered; and
- **You**, or **your partner**, are the first and only registered keeper of **the car** (or the second registered keeper if the first registered keeper is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- **You**, or **your partner**, have owned **the car** (or it has been hired to **you**, or **your partner**, under a hire-purchase or leasing agreement) since it was first registered as new (or **you** are the second owner if the first owner is the manufacturer or supplying dealer and the delivery mileage is under 250 miles); and
- The cost of repair is valued at more than 60% of the cost of buying an identical new car at the time of the loss or damage (based on the United Kingdom list price); and
- **The car** was supplied as new from within the **territorial limits**.

In these circumstances, if **you** ask the **insurer** to they will replace **the car** (and pay reasonable delivery charges) with a new car of the same make, model and specification.

The **insurer** can only do this if a replacement car is available in the **territorial limits** and anyone else who has an interest in **the car** agrees.

If a replacement car of the same make, model and specification is not available, the **insurer** will, where possible, provide a similar car of identical list price.

If this is not acceptable to **you**, the **insurer** will not pay more than the **market value** of **the car** at the time of the loss.

Car audio, navigation and entertainment equipment

The **insurer** will also cover the cost of replacing or repairing **the car's** audio, navigation and entertainment equipment up to the following amounts:

The **insurer** will arrange for one of their repairers to contact **you** to arrange to collect **the car**. Repairs made by the **insurer's** recommended repairers are guaranteed for three years.

At **your** option, **you** can arrange for a repairer of **your** choice to carry out the repairs. **You** must send the **insurer** at least two detailed repair estimates as soon as reasonably possible. The **insurer** will only be liable for the repair costs at a non-recommended repairer if the **insurer** has agreed that the costs are reasonable and the **insurer** has issued an authorisation to the repairer. The **insurer** may need to inspect **the car**.

The **insurer** reserves the right to ask **you** to obtain alternative estimates and the **insurer** may not pay **you** more than their recommended repairer would have charged them for the repair of **the car**.

Courtesy cars

This **policy** also covers loss or damage to any courtesy car the **insurer's** recommended repairer provides to **you** while any damage to **the car** is being repaired. The provision of a courtesy car is subject to availability and the recommended repairers terms and conditions. If the provision of a courtesy car is available, the **insurer's** recommended repairers will not be obliged to arrange a replacement vehicle any larger than a small hatchback, typically with a 1 litre engine capacity. If **you** wish to upgrade to any other vehicle the cost of the upgrade will be **your** responsibility. In addition, the terms, conditions and **excesses** of **your policy** remain in force for the courtesy car.

G Data protection notice

Who is processing your data?

We are BISL Limited, **we** arrange and administer RAC car and home insurance and **we** are the data controllers of the personal data that **you** provide and/or that **we** collect from **you**. This means **we** are the company responsible for deciding how **your** data is processed.

BISL Limited is part of the Markerstudy Group and provides products and services under various brands. If you want to know more about the Markerstudy Group and the brands that BISL operates you can find out more at www.bglinsurance.co.uk

We will share data relating to **your** quote or **policy** with RAC who will also be a data controller of this data. **You** can read further information about how RAC processes **your** data by reading their Privacy Policy at www.rac.co.uk

Car and Home Insurance

To provide **you** with car and home insurance, **we** need to share **your** data with the **insurers** **we** work with. This is to allow the **insurers** to consider **your** application for insurance and to allow them to deal with any claims **you** make on **your** insurance **policy**. The **insurers** will also be data controllers in relation to the data they receive from **us** and any additional data the **insurer** may collect about **you** when dealing with a claim. This means that the **insurers** are in charge of how they handle **your** data and **we** are not responsible for this.

Your insurer is set out in **your** **Schedule of Insurance**.

When **you** choose to add an additional product to **your** insurance policy, such as breakdown cover, **we** will also need to share **your** data

with the supplier of the additional product to allow it to be provided.

You can find further information in the terms and conditions for each additional product.

If **you** pay for **your policy** by monthly instalments **you** will be taking out a credit agreement. **Your** credit arrangement will be provided by BFSL Limited, which is part of the Markerstudy Group and which provides credit arrangements on **our** behalf. Data relevant to **your** credit agreement will be shared with BFSL Limited. BFSL Limited will also be a data controller of this data and will be responsible for how that data is processed.

If **you** purchase a **policy** via a cash back site, some data may also be shared in relation to this for example to confirm **your** purchase. For more information you'll need to read the privacy policy for the relevant cash back website.

Where do we get the data from?

From you

Most of the data that **we** process will be data that **we** collect from **you** directly when **you** request a quote. **We** will ask **you** various questions to collect the data **we** need for the purpose of **your policy**. **We** will not be able to provide a quote unless **you** answer the mandatory questions.

From RAC

If **you** have previously held any products or services with RAC then **we** may carry out checks against data that RAC already hold on **you**. This includes data that may be needed for fraud prevention, research and analysis and to help **us** assess **your** application for insurance and help **us** assess **your** premium taking into account **your** history as an existing customer. **We** may do this when **you** request a quote, when changes are made to **your policy** or when **your policy** is due for renewal.

From your use of our website and services

We also collect data about **you** based on **your** actions, for example **we** collect data about how and when **you** use **our** websites, or **our** services so that **we** can build up a picture of **you** as a customer. This can include information such as how many quotes **you** have obtained for insurance from **us**, mouse clicks/taps, mouse movements, page scrolling and text entered into forms. This helps **us** to provide **you** with a good service and to design improvements to **our** products and services (including changes to **our** website) but is also used to help **us** to prevent and detect fraud.

If **you** contact **us** electronically, **we** may collect **your** electronic identifier e.g. Internet Protocol (IP) address or telephone number supplied by **your** service provider. This information may be used by **us** and/or shared with and used by **insurers** to aid in the detection of fraud.

If **we** speak to **you** on the telephone **we** may record the telephone call. **We** do this so that **we** have an accurate record of **your** conversation with **us**. **We** also use this data for monitoring and quality control purposes and may use it for training purposes.

From price comparison sites

If **you** have been directed to **us** from a price comparison site then the price comparison site will have provided **us** with data that **you** entered in order to allow **us** to provide **you** with a quote.

When **you** purchase one of **our** policies through a price comparison site **we** will need to share some information with the price comparison site, for example, information relating to whether the **policy** has been purchased or the status of the **policy**. **We** will also exchange information that is necessary to help resolve any queries or complaints.

Our service providers

We or **our insurers** will sometimes use third parties to process personal information on **our** behalf. Where third parties process **your** personal information on **our** behalf, **we** will have a contract in place with them placing obligations on them to keep **your** data secure and only use it for the purposes that **we** authorise.

The third parties that **we** use may include, for example, IT service providers, market research agencies and debt collection agencies or tracing agents appointed by **us**.

From other companies

As part of considering **your** quote, administering (including amending or renewing) **your policy** or dealing with any claims on **your policy**, **we**, **our insurers** and/or **our** credit providers will exchange information about **you** with other companies and/or carry out checks with various databases, which is standard practice in the insurance industry. **We** have set out below some of the common databases that may be checked.

DVLA

If **you** provide **your**, or any named driver's, driving licence number this will be passed to the DVLA, either by **us** or the **insurers** **we** work with, in order for a search to be carried out to confirm **your** (or any named driver's) licence status, entitlement and relevant restriction information and endorsement/conviction data.

Undertaking searches using **your** driving licence number helps **insurers** check information to prevent fraud and ensure **policy** premiums are fair.

A search with the DVLA will not show on **your** (or **your** named driver's) driving licence record.

For details relating to information held about **you** by the DVLA, please visit www.gov.uk/government/publications/dvla-privacy-policy

Credit searches

We and/or **our insurers** or credit provider(s) will carry out checks with credit reference agencies, including-

- checks against publicly available information such as the Electoral Register, County Court Judgments, bankruptcy or repossession information;
- checks against data relating to **your** credit history. If **you** enter into a credit agreement to pay for **your policy**, **we** may also pass to Credit Reference Agencies information **we** hold about **you** and **your** payment record with **us**. Credit Reference Agencies share information with other organisations, enabling applications for financial products to be assessed or to assist the tracing of debtors, or to prevent fraud. **We** may ask Credit Reference Agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained and this together with other factors will be used to assess **your** application for a quote or a **policy**.

The credit reference agencies will keep a record of the search and **you** may see this recorded on **your** credit file whether or not **you** proceed with **your** quote. If you decide to take out a credit agreement, the search and details of **your** payment history with the credit provider will also be visible to other lenders. **You** can find out further information about how the Credit Reference Agencies collect and use personal data at www.transunion.co.uk/legal/privacy-centre which also provides **you** with details of how to contact the Credit Reference Agencies if you want to check the information they hold about **you**.

Claims and Underwriting Exchange and Other Registers and Databases

We, the **insurer** and/or the re-insurer exchange information with various databases and registers to help check information provided, to help verify **your** identity, to detect and prevent crime or fraud and to obtain information about **your** previous insurance history including **your** no claims history. These databases may include the Claims and Underwriting Exchange Register, the Hunter Database, the Motor Insurance Anti-Fraud and Theft Register, the No Claims History Database and any other relevant industry databases or registers. As part of these checks, **we** will share **your** data with LexisNexis Risk Solutions who carry out checks against data from various sources including data from other insurance companies. **You** can find out more information about LexisNexis Risk Solutions, the data they collect and information about **your** data protection rights in relation to the data they hold at <https://risk.lexisnexis.com/group/processing-notice/insurance-services>

Data **we** provide to these registers or databases about **your** insurance quote, **policy** or about any claims or incidents that may give rise to a claim (which **you** must tell **us** about under the conditions of **your** policy whether or not a claim is made) may be accessed by other insurance companies.

Motor Insurers' Bureau

Information relating to **your** insurance **policy** will be added to the Motor Insurance & Policy Data Database ("MIPD") managed by the Motor Insurers' Bureau ("MIB"). **We** work in partnership with the MIB and associated not-for-profit companies who provide several services on behalf of the insurance industry. At every stage of **your** insurance journey, the MIB will be processing **your** personal information and more details about this can be found at: www.mib.org.uk. Set out below are brief details of the types of activity the MIB undertake:

- Checking **your** driving licence number against the DVLA driver database to obtain driving licence data (including driving conviction data) to help calculate **your** insurance quote and prevent fraud
- Checking **your** 'No Claims Bonus' entitlement and claims history
- Prevent, detect and investigate fraud and other crime, including by carrying out fraud checks
- Maintaining databases of:
 1. Insured vehicles (MIPD)
 2. Vehicles which are stolen or not legally permitted on the road (Vehicle Salvage and Theft Data (VS&TD))
 3. Motor, personal injury and home claims (CUE)
 4. Employers' Liability Insurance Policies (Employers' Liability Database)
- Managing insurance claims relating to untraced and uninsured drivers in the UK and abroad
- Working with law enforcement to prevent uninsured vehicles being used on the roads

- Supporting insurance claims processes

Persons (including their appointed representatives) pursuing a claim in respect of a road traffic accident (including citizens of other countries) may also obtain relevant information which is held on the MIPD. It is vital that the MIPD holds **your** correct registration number. If it is incorrectly shown on the MIPD **you** are at risk of having **your** vehicle seized by the Police. **You** can check that **your** correct registration number details are shown on the MIPD at www.askMID.com

Existing Data

We will check **our** existing records to see if **you** have held a policy or obtained a quote with **us**, or any of the brands BISL Limited administer, before. **We** will also share personal data with **our** other brands, Group Companies and insurers for these purposes. The **credit providers** we work with (as described in the "Who is processing your data?" section above) will also carry out checks against data that they hold on **you** if you have held a credit agreement with them or applied for credit with them before.

Checking and comparing this data helps **us** to assess **your** quote (including at renewal). This data will also be used for research and analysis in accordance with the section headed "What do we use your data for?" below.

Publicly available sources

We or **our insurers** use some open sources of data which are not personal data (such as information about particular geographic areas) and combine this with the personal data that **we** hold about **you** (such as **your** own address) in order to assess insurance risk and provide **you** with an accurate quote.

Providing data about other people

We will sometimes need **you** to provide **us** with data about other people, for example where another person is being added to the **policy** as a joint policyholder or named driver. Where **you** give **us** data about someone else, **you** must make sure that **you** have made that person aware of this Privacy Policy. If **we** ask **you** to confirm **your** consent to certain data being processed, **you** are giving consent for **your** data and any relevant data relating to the other person to be processed. Where this privacy policy refers to "**your** data" this also includes data about anyone else named on the policy or whose data **you** provide **us** with.

Telematics Data

If **you** take out an RAC Black Box **policy** RAC will collect data through the telematics box including but not limited to **your** speed throughout **your** journey, braking frequency and force, acceleration, the types of routes **you** take (e.g. A-roads, motorways, country lanes), time and date of travel and **your** car's location. This data is shared with **us** and with **our insurers** for the purposes set out below:

- to contribute towards the calculation and charging of insurance premiums based on **your** driver score, standards of driving and how **you** use **your** car;
- to test **your** telematics box and associated software, for example during installation or to perform maintenance checks;
- to assess **your** driving performance and driver score to help determine **your** future insurance premiums;
- to contribute towards the administration of **your** policy;
- to provide **you** with additional optional services relating to **your** telematics box or insurance **policy** that are or may become available, where **you** agree to these at purchase or during the lifetime of **your** **policy**; and
- to carry out research and analysis of **your** driving behaviour in order to help **us** to improve **our** services.

Your telematics data will be shared with **insurers** and/or service providers in the event of a claim on **your** **policy** to assist with the identification, assessment or investigation of claims made and to provide clarification as to the circumstances of the claim. **Insurers** will be data controllers of this data.

You must ensure that any named driver on **your** **policy**, or anyone else who drives **the car**, is aware of the information contained within this section and that their journey will be monitored and data about their journey collected.

What do we use your data for?

The data that **we** hold is used for the following purposes:-

Part 1 - Providing you with a quote and administering your policy

The personal data that **we** use for the purposes set out in this Part includes information **you** provide during **your** quote, information about previous or existing policies held by **us** or **our insurers**, identification information, information from credit reference agencies, **your** **policy** and payment history and behavioural information that **we** gather from **your** use of **our** website and how **you** manage **your** **policy**.

Providing you with a service

As **you** would expect, this data is used to provide **you** with the service **you** have requested, for example a quote or an insurance **policy**. When **you** take out a **policy**, **we** will continue to use **your** data to provide **you** with annual renewal quotes and where **we** can **we** will use the data to automatically renew **your** **policy** and continue to provide **you** with insurance cover. If **you** would prefer that **we** don't use **your** data to automatically renew **your** **policy** then **you** can opt out of the automatic renewal process by contacting **us**. This means **we** will still use **your** data to generate a renewal quote but **your** **policy** will not renew unless **you** tell **us** that **you** would like to accept the renewal quote. **You** can find more information about this in **your** **policy** documents.

Credit agreements and payments

Both **we** and the **credit provider** use this data (including data held in relation to **our** other brands) to help **us** build up a picture of **you** as a customer. This allows **us** to carry out more accurate assessments of **you** as a customer when **you** apply for products with **us**, including creditworthiness assessments. It helps **us** to provide **you** with more relevant information such as making sure **we** show **you** the right content at the right time. **We** also use this information to help calculate **your** future quotes. This information will also be shared with **our insurers** for these purposes.

Data will also be used by **us** or **your** **credit provider** (if applicable) to administer any payments due under **your** **policy** and this will include (where necessary) sharing data relating to **your** payments with credit reference agencies, debt collection agencies or any financial organisations such as banks or payment providers for purposes connected with payment processing, refunds, funding or associated services. If **you** have taken out credit **you** can find further information within the credit agreement.

Additional information about your circumstances

We gather information about **you** and **your** personal situation to understand and assist with **your** customer needs and to fulfil **our** regulatory obligations. This may involve collecting and using data related to any help **you** require or anything that could affect **our** service to **you** including details about **your** health, life events, financial situation, capabilities and capacities. This information may come directly from **you** or from third parties like **our** suppliers or partners. Some of this data is considered sensitive and requires **your** consent for processing and sharing. However, there are situations where **we** may need to process this data without **your** consent to ensure **your** wellbeing, relying on the lawful basis of Substantial Public Interest. This data assists **us** in identifying and providing additional support and assistance when necessary, such as providing documents in alternative formats. Occasionally, **we** may share this information with third party suppliers or business partners to ensure they can provide appropriate services to **you**. Additionally, **we** may analyse this data to enhance **our** services and better meet **our** customers needs. **We** may also exchange this information with other companies within the Markerstudy Group of Companies for these purposes. **You** can request changes or updates to the data **we** hold at any time.

When **we** collect, store and use certain types of sensitive information such as special category (e.g. health or medical records) or criminal offence data, data protection law includes additional safeguards. When **we** do have cause to use **your** special category information, **we** will usually do so with an additional specific purpose. This will normally be when processing is necessary for the establishment, exercise or defence of legal claims, or when there is a substantial public interest in processing it for insurance purposes (i.e. using this type of information for that purpose is an integral part of the wider public benefits which result from the UK insurance industry). Similarly, if **we** use personal information that relates to a criminal offence, **we** usually do so for an insurance purpose.

In relation to personal data used for the purposes described in this Part 1, **we** process this data because it is necessary to perform the contract that **we** have in place with **you** to provide **you** with the quote or the **policy** that **you** have requested. **You** can be assured that **we** will always minimise the use of this type of information.

Part 2 – Fraud Prevention

In order to prevent and detect fraud **we**, the credit provider and/or the insurer or the re-insurer may use the personal data set out above at any time to undertake searches to prevent fraud and money-laundering and to verify your identity. This will include checking or sharing your details with credit reference agencies and fraud prevention agencies.

If false or inaccurate information is provided or if **we** or a fraud prevention agency determine that **you** pose a fraud or money laundering risk, **we** may refuse to provide the services and/or financing **you** have requested and **we** may stop providing existing services to **you**.

A record of any fraud or money laundering risk will be retained by the fraud prevention agencies and which may be checked by other organisations for example when: checking details on applications for credit and credit related or other facilities; managing credit and credit related credit accounts or facilities; recovering debt and tracing beneficiaries; checking details on applications for new products and dealing with claims for all types of insurance. This may result in others refusing to provide services, financing or employment to **you**.

Fraud prevention agencies can hold **your** personal data for different periods of time, and if **you** are considered to pose a fraud or money laundering risk, **your** data can be held by them for up to six years.

In relation to personal data used for the purposes described in this Part 2, **we** process this data because **we** have a legitimate business interest in carrying out these activities to protect against fraud and because there is a substantial public interest in preventing and detecting crime including fraud.

Part 3 – Other Uses of Data

Marketing

When **you** request **your** quote **you** will be given an opportunity to confirm whether **you** are happy to receive marketing material from **us**. If **you** confirm **you** are happy to receive this material, **we** may use **your** postal address, email address and telephone number to send **you** marketing materials by post, email, telephone call or SMS. **We** do not pass **your** data to third parties for marketing purposes.

You can change **your** mind at any time by logging into **your** Self Service Centre and updating **your** preferences. **You** can also unsubscribe from emails by clicking on the unsubscribe link on any marketing emails that **we** send **you** or by contacting **us**.

This will not impact any communications that **we** need to send **you** for the purpose of **your** policy, for example communications about **your** renewal, updates about **your** policy or information about any quotes **we've** provided to **you**.

We use the data **we** hold to help **us** understand **our** customer demographic, to help **us** improve the services that **we** provide to **you** and to help **us** target **our** advertising and marketing so that **we** show customers adverts or marketing which may be more relevant to them. **We** may sometimes work with carefully selected third parties to do this for example using advertising services provided by organisations such as Google and Facebook and may share data with them to carry out this research and analysis, however will not sell **your** data to third parties for them to market to **you**.

Market Research

From time to time **we** may want to use **your** postal address, email address and/or telephone number to contact **you** to assist **us** with **our** research by asking **you** a few questions about the service **you** have received or by asking if **you** would like to complete a review of **our** services. **We** may sometimes ask market research companies to contact **you** on **our** behalf.

If **you** would prefer **us** not to contact **you** for market research purposes then **you** can let **us** know by contacting **us**.

Research and Analysis Activities

We use data relating to **your** quotes or **your** policy, including **your** claims history, to carry out various research and analysis activities to help **us** to regularly review and improve the products and services **we** provide and carry out research relating to underwriting, claims and pricing. **We** also share this data with **our** insurers to enable them to use this data for these purposes. Where possible, data will be shared on an anonymised basis. The data will not be used to make any decisions that will affect **you** or any other individual.

We also use the data that **we** collect about **you** through **your** website usage to carry out research and analysis into usage and activities on **our** website to enable **us** to continue to improve **our** website and **our** products and services.

In relation to personal data used for the purposes described in this Part 3, **we** process this data because **we** have a legitimate business interest in carrying out these activities to promote and improve **our** business. **We** have ensured appropriate safeguards to protect **your** rights when processing this data for these purposes.

Part 4 - Special Personal Data and Criminal Convictions

In order to provide **your** quote and administer **your** policy **we** may ask **you** to provide data which data protection law classifies as "special personal data". This includes information about **your** health (such as any medical conditions) or information relating to criminal convictions or alleged or actual criminal offences.

Where **we** collect special personal data and criminal conviction or offence data to provide **you** with **your** quote and **your** policy, **we** process this data because it is in the substantial public interest to do so for the purposes of advising on, arranging, underwriting or administering an insurance contract.

It may also be necessary for **us** to retain a copy of any special personal data and criminal conviction or offence data for the purpose of making or defending claims or preventing or detecting crime, including fraud.

How long do we keep data?

We'll only keep **your** personal data as long as **we** need it and ensure it is securely destroyed when it is no longer required. **We** do however need to keep certain data after **your** policy has ended for certain periods as detailed below.

Generally, if **you** take out a policy with **us**, **you** can expect us to keep **your** data for a period of 10 years following the end of **your** policy unless there is a requirement for us to keep the data for longer, for example if there are any ongoing queries or claims relating to the policy.

We keep data for these periods as it plays an important part in allowing **us** to undertake fraud detection and prevention activities, allows **us** to deal with any queries or complaints that may arise regarding the quote and allows us to carry out research and analysis to help us improve our products and services (as described in the section headed "What do we use your data for?").

Overseas Transfer of Data

We may use third party suppliers to process personal data about **you**. Some of these suppliers may be located in countries outside the UK which may not have equivalent laws in place to protect **your** personal data. For example, **we** use third party software suppliers to process data such as **your** IP address and email address. **Our** insurers may also process personal data in countries outside the UK which may not have equivalent laws in place to protect **your** personal data. **Our** insurers are data controllers in respect of any such processing.

Whenever **we** do use third party suppliers to process personal data about **you** outside the UK **we** will ensure that **your** personal data is kept securely, is only used for the purposes set out in this Privacy Policy and is afforded equivalent protection as it would be if it were processed in the UK. **We** do this through various mechanisms, for example making sure that approved contractual clauses are in place with the supplier. If **you** would like any further information please contact **us** using the details in the "Contacting Us" section.

Your Rights

Data protection law gives **you** various rights in relation to **your** personal data. All the rights set out below can be exercised by contacting **us** using the contact details set out under the "Contacting us" section below. Those rights include:-

- You** have the right to ask **us** to provide a copy of the personal data that **we** hold about **you**. This is called a Data Subject Access Request or "DSAR".

You can access information about **your** policy and **your** policy documents by logging into **your** Self Service Centre. If **you** want to receive other personal data that BISL Limited holds then please contact **us** using the contact details below. When contacting **us** please describe the information **you** require and include the following: **your** full name, **your** date of birth, **your** full address and your quote/policy number. For security purposes **we** may need to ask **you** for further information to verify **your** identity. If **you** require information sending to different contact details to those held on **your** policy please include a copy of **your** passport or driving licence and proof of address such as a recent utility bill to assist **us** in verifying **your** identity. **We** might also need to ask **you** for additional information to help **us** locate the data that **you** are looking for.

Once **we** have all the information that **we** need to process **your** DSAR, **we** will respond within one month unless **your** DSAR is very large or complex, in which case **we** may need to extend this period. If **we** need to do this **we** will let **you** know.

If **you** want to make a DSAR in relation to personal data that is held by the insurer of **your** policy then **you** will need to contact the insurer directly. **You** can find their details in **your** policy documents.

If **you** want to make a DSAR in relation to personal data that is held by RAC then **you** will need to contact them directly by email to: dpo@rac.co.uk

- You** have the right to ask **us** to correct inaccurate personal data that **we** hold about **you**. If **you** think any of **your** personal data

is inaccurate, please contact **us** and, provided **we** can verify **your** identity and are satisfied as to the accuracy of the correction requested, **we** will correct the relevant personal data as soon as **we** can.

- **You** have the right to request that **we** provide a copy of **your** personal data in a machine readable format or to ask **us** to send **your** personal data to another company. This applies to personal data that **you** have provided to **us**, which **we** have processed electronically, such as data **you** entered on **our** website when **you** obtained a quote.
- **You** also have the right to ask **us** to delete personal data that **we** hold about **you**. **We** are obliged to delete personal data in some circumstances, such as where it is no longer needed. However, data protection laws allow **us** to keep the personal data if **we** need to, for example if the data is needed to allow **us** to administer **your** policy or if the data is needed for fraud prevention. In any case, **we** will retain your personal data in line with the retention periods detailed under "How long do we keep data?" above.
- **You** have the right to ask **us** not to do anything with **your** personal data except store it in limited circumstances, such as if **you** and **we** do not agree on the accuracy of personal data and steps are required to validate it.
- **You** have the right to object to **us** processing certain personal data about **you**. For example, **you** can ask **us** to stop processing data for marketing or market research purposes. However, where **we** need to continue to process the personal data, for example to administer **your** policy or for fraud prevention purposes, **we** are not obliged to stop processing it.
- **You** have the right to ask to review significant decisions that **we** have made about **you** wholly by automated means. The nature of the quotes that **we** provide to **you** means that **we** have to use this kind of automated decision making in relation to **your** personal data (including special categories of personal data) to assess **your** quotes. This means that **our** computers will consider lots of different pieces of information about **you** and about the policy **you** have requested (such as information about **your** vehicle) in order to calculate whether or not **we** are able to offer **you** a quote, at what price this should be and whether **we** can offer **you** a credit agreement to pay for **your** premium. Automated decision making will be used when **you** request a quote, when **we** are considering whether **we** can offer **you** a renewal quote and also if any changes are made to **your** policy. **We** may also use automated decision making to decide if **you** pose a fraud or money laundering risk. If **you** ask us to review the decision, **we** will make sure that it is examined by a human and **we** will confirm the outcome to **you**. This does not necessarily mean that the decision will be changed.

Breakdown or Road Traffic Collision on a motorway in France or Mainland Europe

Motorways in France and many other European countries are privately managed. If **your vehicle breaks down** or is involved in a **road traffic collision** on a French motorway, motorway service area, or other European private motorway, **you** must use the roadside emergency telephones as **we** cannot send assistance. If the **vehicle** is recovered by the police or authorised motorway services, **you** may have to pay labour and towing charges on the spot and a standard tariff is normally applied.

We will **reimburse** these charges as long as the **vehicle** is towed to the recovery company's depot. This may also apply to other roads, so **we** recommend **you** use the emergency phones where available. If they will not send a breakdown recovery vehicle, **you** should contact **us**.

If **you** do not (for example, **you** go against **our** advice, fail to co-operate with **our** reasonable requests, delay the **claim**, do not submit **legal costs** to **us** straight away or take any other action that may harm **your** case) **we** may withdraw cover;

3. **We** will not cover **legal costs**:
 - a) that have not been agreed by **us** or were incurred prior to **us** accepting the **claim**;

7. Whilst **we** must appoint the **legal representative**, **you** may choose **your** own if it becomes necessary to start court proceedings, or if there is a conflict of interest. If **you** wish to do this, please tell **us** their name and address so **we** can consider **your** request. General conditions for Section E

1. **We** will not cover any **call-out** for any repairs to a **vehicle** which are not essential in order to continue the **European journey**;
2. Any **claim** which the **driver** could make under any other insurance policy. If the value of the **call-out** is more than the amount which can be recovered under another policy **we** may pay the difference, subject to the limits as set out in this **RAC Breakdown Cover**;
3. **You** must make sure the **vehicle** meets all relevant laws of the countries visited during a **European journey**;
4. How the exchange rate is calculated:
 - a) any costs incurred directly by **us** in a currency other than GBP will be converted to GBP at the exchange rate used by **us** at the time;
 - b) costs incurred by **you** in a currency other than GBP which are recoverable will be converted to GBP either:
 - i. at the exchange rate used by the credit or debit provider; or
 - ii. at the exchange rate used by **us** when **your** claim form is received if **you** paid in cash;
5. **We** will not take responsibility for repairs carried out at any garage, and the contract for such repairs will be between **you** and the garage / repairer;
6. When a hire car, taxi, hotel or similar benefit is arranged under this **RAC Breakdown Cover**, **we** will always try to find a suitable option that is available at the time, however:
 - a) **we** are not responsible for the quality or service of each individual hotel, train or taxi booked; and

- b) for hire cars, whilst reputable companies are used, **we** are unable to and cannot be responsible for checking the condition of each vehicle or the quality of service provided by each company;
- 7. If, following a **breakdown**, the **vehicle** needs to be repaired, **you** must not delay or refuse repairs whilst **you** are in **Europe**. If **you** do, and in **our** reasonable opinion that would lead to additional costs being incurred, **we** reserve the right to refuse to provide cover under Section E3 (Onward travel in Europe) or Section E4 (Getting your vehicle home);
- 8. If the **breakdown** or **road traffic collision** is caused by flooding brought about by adverse weather **we** will only arrange for the **vehicle** to be taken to a local repairer. All further service will be an additional cost paid by **you**, or must be referred to the **vehicle's** motor insurer;
- 9. In handling **breakdown call-outs** there may be more than one option available to **you** under this **RAC Breakdown Cover**. **We** will decide which is the most appropriate option based on **our** expertise in breakdown situations. In doing so **we** will act in consultation with **you**, and act reasonably at all times;
- 10. This **RAC Breakdown Cover** does not cover:
 - a) vehicle storage charges, other than under Section E4 (Getting your vehicle home);
 - b) **call-outs** if **you** are not carrying a serviceable spare tyre, tyre repair equipment provided by the manufacturer or a locking wheel nut;
 - c) the hire of minibuses, motorhomes, motorcycles, **caravans**, **trailers** or vans;
 - d) overloading of a **vehicle** under the laws in any country in which the **vehicle** is travelling;
 - e) **breakdowns** or **road traffic collisions** caused by running out of oil or water, frost damage or rust or corrosion.

General Conditions

The following conditions apply to all sections of this **RAC Breakdown Cover**. If **you** do not comply **we** can refuse cover and/or cancel **your RAC Breakdown Cover**.

1. **You** must pay **your** premium.
2. **You** must request services directly from **us**, as **we** will only provide cover if **we** make arrangements to help **you**.
3. Where the **breakdown** is caused by a component failure this must stop the **vehicle** from working, so for example an air-conditioning failure in itself does not constitute a **breakdown**, and the illumination of a warning light does not always constitute a **breakdown**. If it does not, **you** will need to take **your vehicle** to a place of repair and your **RAC Breakdown Cover** will not cover this.
4. **We** will not cover any **claim** where the **vehicle** is already at a garage or other place of repair.
5. Where **we** deem, acting reasonably, that **you** requested a service to avoid the cost of repairing the **vehicle**, or to correct an attempted repair by someone else, **we** will not provide cover.
6. A **driver** must be with the **vehicle** when **we** attend.
7. **You** are responsible at all times for the care of **your** personal belongings, valuables, luggage and goods in or on a **vehicle**. **We** will not be responsible for any loss of or damage to them.
8. Where **we** recover **passengers** under the age of 16, they must be accompanied by an adult.
9. **We** will not allow animals in **our** vehicles, except guide dogs. Any animals can remain in **your vehicle** at the **driver's** own risk. **We** will not be liable for any injury to animals, or damage caused by them. **We** will not transport any livestock. **We** will not be responsible for any costs relating to animals.
10. The **vehicle** must not carry more **passengers** than the number stated in the **vehicle's** registration document. Each **passenger** must have a separate fixed seat fitted to the manufacturer's specification and any child must occupy a properly fitted child seat.
11. Where **we** provide a repair to the **vehicle**, whilst **we** are responsible for that repair, this does not mean that **we** are confirming the legal and roadworthy condition of the **vehicle**. This remains **your** responsibility.
12. **We** will not be responsible for any losses that may incur following a **breakdown** that are not expressly covered by this **RAC Breakdown Cover**. For example, **we** will not pay for any loss of earnings or missed appointments.
13. **We** do not guarantee that recovery to any garage will be during opening hours, or that repairs can start immediately. Whilst **we** will try to check that the garage will undertake the type of repairs required, **we** cannot guarantee this. **We** will not take responsibility for repairs carried out at any garage and the contract for such repairs will be between **you** and the garage / repairer.
14. During extreme weather, riots, war, civil unrest, industrial disputes, **our** services can be interrupted. **We** will resume **our** service to **you** as soon as **we** can in these circumstances.
15. The cost of the following is not covered by this **RAC Breakdown Cover**:
 - a. **specialist equipment**;
 - b. tolls, ferries or congestion charges for the **vehicle** and **our** vehicle;
 - c. any damage to glass, including panoramic glass, even if the damage means the **vehicle** cannot be legally or safely driven. **We** will arrange transport to a local garage so **you** can arrange to get the **vehicle** fixed but **you** will have to pay for this;
 - d. spare tyres and wheels and repairing or sourcing them;
 - e. recovery by someone other than **us** even if this is requested by the emergency services; or
 - f. **we** will only provide recovery once instructed to do so by the emergency services.
16. In handling any **claim** there may be more than one option available to the

driver under this **RAC Breakdown Cover**. **We** will decide which is the most appropriate option based on **our** expertise of **breakdown** situations. In doing so **we** will act in consultation with the **driver**, and act reasonably at all times.

17. The **vehicle** must be privately owned and only used for private use, including use for social, domestic and pleasure purposes and commuting to and from a permanent place of work and any business use other than hire and reward and/or courier services.
18. This **RAC Breakdown Cover** does not cover:
 - a. **your** vehicle servicing, maintenance or assembly of the **vehicle**;
 - b. **caravan** or **trailers**, except as described under Section A;
 - c. use of **your vehicle** for business, including for example demonstrating and/or carrying trade plates;
 - d. **breakdowns** resulting from activities that are not subject to the normal rules of the road for example rallies, stock car racing, use of the Nürburgring or other formal or informal race events;
 - e. **breakdowns** that occur off the public highway to which the **driver** or **we** have no legal access;
 - f. the **vehicle** if it is not legally taxed, insured and holding a valid MOT which is required by law or is not being used in line with the manufacturer's guidelines;
 - g. **vehicles** that are not in a roadworthy condition. If **we** consider, acting reasonably, that the **vehicle** is not in a legal or roadworthy condition, **we** can refuse to provide service. If **you** can demonstrate that the **vehicle** is roadworthy **we** will provide service;
 - h. any **claim** that is or may be affected by the influence of alcohol or drugs;
 - i. any **breakdown** that is caused by or a result of **vehicle** theft or fire; or
 - j. any **claim** under this **RAC Breakdown Cover** where the **breakdown** was first reported to **us** under a different policy.
19. If the **driver** is asked to review and approve a document recording the condition of the **vehicle**, including an electronic form, it is **their** responsibility to ensure that the record is accurate and complete, and **we** will not be responsible for any errors or omissions.

Additional Benefits

The following are provided at no additional charge:

Services in the Republic of Ireland

If the **vehicle** has **broken down** in the Republic of Ireland, **we** will provide a Roadside attendance service only, as described under Section A (Roadside). If **your home** address is in Northern Ireland and **you** have purchased Section C (Recovery), **we** will recover the **vehicle** to **your home**, or to another destination in Northern Ireland if the distance is less.

Urgent message relay

If the **vehicle** has **broken down** and the **driver** needs to get in touch with friends and family urgently, where possible **we** will get a message to them.

Replacement Driver

If the **driver** becomes ill during a journey in the **UK** and no one within the party can drive the **vehicle**, **we** may be able to provide a replacement driver. This service is discretionary, and **we** will decide whether or not to provide this service.

Additional services

We can provide additional services that are not included in **your RAC Breakdown Cover** but **we** will charge **you** for these, for example to:

1. Purchase the parts **you** need to get on **your** way;
2. Pay for **specialist equipment** to complete the repairs;
3. Extend the hire time for a replacement car;
4. Arrange a second or extended recovery; or
5. Attend a mis-fuel event.

If **you** need extra help, **we** will agree the costs up front and will need full payment before **we** can help. If **you** took out the **RAC Breakdown Cover**, **you** will be responsible for any additional charges so if **we** help someone under **your RAC Breakdown Cover** and they cannot pay, **we** will invoice **you**. This is why **we** request proof of identity at the **breakdown**.
